"Amazing performance, staging, autobiography and artistry, and an amazing meditation on race and examination of America."

Ben Affleck, 2013 Academy Award for Best Picture: Argo

"As important as the performance itself is Fanshen's sincere interest in, and ability to, connect with her audiences, to link her extremely personal story to other people's experiences."

Michele Elam, Stanford University

"The performance was handsdown the best Choate performance I have ever seen."

Student at Choate Rosemary Hall

Cox DiGiovanni's honesty, insight, dedication, and love are an inspiration."

Dr. Paul Spickard, UC Santa Barbara

"I have rarely seen a group of teenagers so rapt with attention to hear the next word. She is the kind of performer who will inspire people to embrace what makes them different and see it as a strength."

Randall Arney, Artistic Director, Geffen Playhouse
